What is a brand?

- A brand is a sign which enables consumers to distinguish a company's offer, product, service, event, external and internal, from that of its competitors and partners
- Elements of a brand may be protected and registered as a trademark:

  Name: Orange, Sosh, Orange Cyberdefense, Livebox, Neva, Sanza, Totem, Voilà, Wifissime
  Hello (word Mark)
  Numbers: 118 712
  Slogan: Orange is here
  Color: Pantone 151c
  Color combinations: orange, black and white
  Shape: 3D (three-dimensional Mark)
  Logo (semi-figuratice Mark)
  Sound (sound Mark)
  Motion design (motion Mark)
  Video multimedia (multimedia Mark)

What is a name?

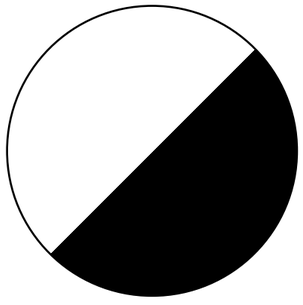

- A name never lives alone. It follows the identity of the brand it is attached to
- A name evolves within a portfolio of offers, services, programs, entities, …
- Communications, ATL and BTL
- Print, Kakemono, Flyers, Bills
- Websites, portals, e-shop
- Applications
- Social media
- Conferences, Events, Sponsorship
- Devices, Gateway and Packaging
- Buildings, Networks, Infrastructure

Create a name

- **Names, external and internal, are a key part of the Orange brand and help us to clarify our offers, services, products, events, they must be approved by Global Brand and cleared by Group Legal**
- **It follows the personality, tone of voice, identity of the brand it is attached to**
- **3 types of name: generic, descriptive or hero**
- **Brand Management**
- **A name is reinforced and protected by proof of evidences**
- **We have a naming strategy and brand architecture**

Logo
Always use original artwork.

Eco branding
White for print.
Dark for digital.

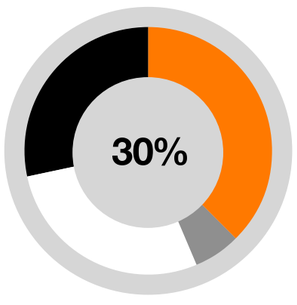

Personality
To make our brand coherent and unique.

Brand voice
Simplify to the essential, always write with a smile.

Naming
Generic, descriptive or hero, respecting spelling rules.

Color
Min. 80% core color with min. 30% orange and max. 20% supporting color.

Typography
Bold, direct, essential.

3 types of name

Generic

- **These are already in use as market or industry standard terms to describe technologies, products or services that are not unique to Orange**
  e.g: 4G, 5G, Wi-Fi, VPN, Fiber, ADSL, 3D, PABX, AR, MR, VR, SDSL, FTTO
- **However commonly used the term it is important to check that it is not trademarked by a third party (e.g: Bluetooth®, LoRa®)**

Descriptive

- **They describe the service and the benefit**
  e.g: Business Together, Internet boost, Data Access Mobile, Customer Link, Data Journey, IoT Journey, Mobile Private Network, Tech Forward, Fixed Interconnection, Internet connectivity, Threat Intelligence, Data Protection, Lead the Future, Lead the Action

Hero

- **When we need to create differentiation and standout in the marketplace for our key products and services, we use Hero names that have lots of character. They will need to be supported by a large marketing and communication budget e.g: Livebox, Live Objects, Live Button, Live Intelligence, Neva, Hello 5G, MicroSOC, XtendedSOC, Dynamic SOC, Fusion Central**

7 rules

1

Don’t use a compagny’s or partner’s trademark

2

“Orange” is never abbreviated to “O” “Or” “Oran” “Orange Cyberdefence” is never abbreviated to “OC”

3

Don’t use in the name: “Orange” and “Wholesale”

Exception in the Brand architecture

4

Don’t use in the name: first names, colors, animals, cities, countries, entities, app, portal, web, offers, products, platform, services, solutions, tool, by, for, with, powered by

5

Don’t use in the name of product service, program, application, event: Bank, Business, Digital, Cyberdefense, Cyber, Events, Pro Foundation, Innovation, Wholesale, Hello, Hereos, Studio, Hub, Center

6

Don’t use more than 3 words in the name, DNS, OrangeCarto

Don’t use special characters @ ( ) , > : ! ; + = & - _ *

7

Don’t use in the name: abbreviations, contractions of words, acronyms

Exception technical terms, coding and protocols

Use an hashtag: 7 principles

1. Integrate hashtags in your posts and engage into conversations

2. Tag our official accounts in conversations
@Orange @OrangeBusiness @OrangeCountry vs #OrangeCountry

3. Use popular and recommended hashtags for Orange group

4. #LeadtheFuture #Livebox #Hello5G #Orangegoesgreen as it prevents us from emerging into conversations. Instead, use hashtags like #AI #5G #100%win #wifissime #MicroSOC #XtendedSOC #OrangeStartup #OrangeVelodrome #OrangeDigitalCenter #allconnected #Fibernow #ZeroCuivre

5. Don’t create official account and hashtag referring to the Orange entities

6. For listening to the conversations on our engagement, our events, our campaigns, our communications, our brands. Several tools can be used eg: Talwalker

7. Creating hashtags for our campaigns requires large advertising, media, marketing and communication budget

Publish an application: 7 principles

brand.orange.com
design.orange.com
Orange Mobile Applications [OMA]

1. Choose, Validate and Publish the name of an application in the stores
2. Check constraints and naming guidelines for App Store, Google PlayStore, Huawei AppGallery
3. Confirm editor’s choice. Example: Orange SA, OBS SA, Orange Country, ...
4. Comply with the Orange, graphic and Ergonomic charter internally and externally (design clinic)
5. Select an icon from the brand.orange.com library or request the creation to the Marketing and Design teams and the Orange Brand
6. Never publish an Orange application on a non-Orange publisher account
7. Launching a quality application requires a strategy, a budget, maintenance, monitoring of performance over time in order to respect the consistency of the Brand and legal requirements
